## Ideal For Long Lengths & Surplus Stock

Do you get large oversize scrap? If so, we can handle all sizes of oversize and surplus stock which needs cutting down, and what's more, we never charge to cut it. You get the same price regardless of size.

We have our own bespoke cradles in which to load your long lengths.

Our new Type CR - cradles

5000mm(L) x 900mm(W) x 742mm(H)
